Clearly Conserving Water & Energy

# ICH Roboter

## Automatic Pool Cleaner

*Let a robot take the hard work out of cleaning your pool*

### INTRODUCING THE I-CLEANER 120

If you are spending more time cleaning your pool than enjoying it, you need the I-Cleaner robotic pool cleaner for your pool. It's smart, it's powerful and it looks great, but best of all, it really works!

**Enjoy** more time in the pool than cleaning it

**Spend** less money on water bills

**Improve** water quality

**Reduce** workload on your filtration system

The I-Cleaner 120 robotic pool cleaner is designed to enhance your pool cleaning experience. All you have to do is place the robot in the pool, turn it on and it will clean the floor and walls automatically. The self contained filter bag means there is no need to clean your sand filter after vacuuming is complete. Simply rinse the internal filter bag and you are ready for the next clean.

### STANDARD FEATURES:

- A genuine wall climbing robotic pool cleaner
- A full function, wireless remote control for manual operation and spot cleaning
- 300 liters per minute of filtration
